Q1 What are the strengths and weaknesses of your teaching assistant (discussion section leader, lab section leader, grader, or other assistant) as an instructor, and how might his or her teaching be improved?

- No improvements - he's great!
 - James was a great outlet to help me understand and develop my own thoughts around the theories we were being taught in class. He was incredibly patient and spent time helping me understand all of my questions.
 - James was very receptive to meeting me outside of his regular office hours to go over work. He was also very good at explaining where I made mistakes on assessments and re-explaining topics I didn't understand in class.
 - Love James! So helpful and super super nice!
